NETWORK
MARKETING

An Agent gets paid for referring customers to purchase company's services and earns in **TWO WAYS**.

1. PERSONAL SALES (DIRECT SALES)

A) Customer Referral Bonus (CRB) - \$20

It is the Commission payable on the first month of the customer making the purchase ,

Please note that only the inviter or referer earns the CRB.

B) Monthly Renewals - \$5

From the second month and every month thereafter the Inviter earns \$5 when the customer renews the monthly subscription.

2) TEAM SALES - \$5

The Direct Referrals are placed in **Level 1** of the Agent's network. When the Direct Referrals make their personal sales, they are placed on **Level 2** of your network.

Those on **Level 2** will similarly make their personal sales which will be placed on **Level 3** of your network and this will continue up to **Level 5** of your network. Thereby building a network of customers/agents from **Level 1- 5**.

When the Customer/Agent renews their monthly subscription from month 2 onwards you earn \$5 for every renewal.

Assume you refer 5 customers on your first Month and each of them also refers 5 customers in a month,

As you work with the 5 customers that you referred on the first month and help each of them to get their 5 customers, you will have 25 customers placed on your network on level 2. So as each one of them renews their subscription from the second month you will earn $25 * 5\$ = 125\$$ (ksh 12,500). The cummulative income from your L1 to L2 is $150\$$ (15,000ksh).

And as the 25 customers each refer their 5 you will have 125 customers placed on Level 3 earning you $125 * 5\$ = 625\$$ and the cumulative income of L1,L2 & L3 is $25\$ + 125\$ + 625\$ = 775\$$

(ksh 77,500) and this duplicates upto Level 5 as shown in the table below

So the more Customers/Agents you have in your network the more money you will earn as each one of them renews their subscriptions every month.

YOUR TEAM WILL LOOK LIKE THIS

Your Team Will Have A Mixture Of CUSTOMERS & AGENTS
You Earn \$5 On All Customers & Agents In Your Team
The More The Customers & Agents In Your Team The More Money You Earn

Income Disclaimer:- Results vary depending on individual efforts in building sales team. See details on the GIF website "Products" & "How it Works" Page
